Dear Parents and Carers

Exciting News! - The Windsor Academy Trust Art Competition is being launched across our family of schools. A special assembly took place to kick-start some artistic inspiration for KS1 and KS2 pupils. The competition aims to inspire all children to explore their artistic talent, and to encourage them to engage in a project which could ultimately result in some of their work being displayed at the end of year exhibition celebrating the ARTs across the Trust. Last year we had over 500 hundred entries and some amazing artwork. We would like as many pupils as possible to enter the competition and would welcome your support in encouraging your child to take part.

The categories are as follows...
